Dear Henrik:

Congratulations! It is with great pleasure we present your company with this Avaya DevConnect Compliant Award for successful compliance testing with Avaya Inc.'s Communication Server 1000 release 7.5 SIP line system.

Your company's Ascom Wifi i62 wireless SIP phone firmware version 2.2.22 has been compliance tested by Avaya's DevConnect Technical Team and has been officially accepted as compliant on June 22, 2011. The Avaya DevConnect Compliant Award is now valid, based on the stated version of each party's solution.

Avaya is committed to providing its customers with solutions that are fully compatible with the Avaya Inc.'s Communication Server 1000 release 7.5 SIP line system. With this successful Compliance testing, Avaya provides customers the assurance of successful product interoperability. By continuing to pursue improvements in product integration, we offer a more cost effective, integrated solution to our customers.

Please look to the Avaya DevConnect Program for continued marketing and development support of your product in conjunction with Avaya Inc.'s Communication Server 1000 release 7.5 SIP line system.

We look forward to continuing our joint success in the future. Again, Congratulations!

Sincerely

Robert J Lesniak
